Dear Owners and Residents of Park Tower,

We need your help to make sure our records are as current and accurate as possible!

In the event of an emergency, we will do our best to communicate any instructions owners or residents might need to receive from either management or the authorities. In order to accommodate this flow of information, we need to be able to contact you or someone close to you as soon as possible.

Please complete the contact information form on the back side of this letter, including a home phone number, cell phone number, and work phone number for yourself and any individuals we can contact on your behalf in the event of an emergency, or any other time that it may be necessary.

Join The Park Tower E-Mail List!

Over 950 residents and owners participate in our E-mail List Program. Park Tower maintains an email list for building news, notices, updates and announcements, to communicate quickly in emergencies and to distribute regular updates on business and projects. Keeping you informed makes PT a stronger community! If you're not a member already or have a new e-ddress, please include your email address on the reverse side, and indicate whether you would like to be on the list.

Once the contact form has been completed, please return it to the management office. Completed forms can be returned via mail, or fax to 773-769-0047, or email to parktowercondo-mgmt@habitat.com.
