

## ASCO Report to Park Tower Board, March 2022

### Shape the future of Broadway

Join Alderman Harry Osterman this spring for a series of three community meetings focused on the future of the Broadway corridor in the 48th Ward.

Area residents are invited to offer input on topics such as: affordable housing, economic development, roadway, sidewalks, bike lanes, public art, environmental sustainability and public transit.

# Shape the future of Broadway!

Join us for a three-part proactive community planning process to discuss opportunities for development in our neighborhood!
