

Report from the Social Commission to the BOD 20220509

The Social Committee's discussion group, *Gather to Talk* will meet for its fifth discussion Thursday, May 12th at 7:00 pm via Zoom. The topic will be *What are our residents doing to reduce their carbon footprint?* This will be our last discussion for the time being. We plan to resume in the fall. Thank you to Pam Woll for generously hosting us on Zoom.

The committee held an Easter Egg Hunt on Saturday, April 16 at 9:30 am on the 2nd Floor Deck. We and 40 parents loved the excitement and energy of the 27 children especially when they met our own, local, Easter Bunny, Homer Longoria! Thank you to Homer and to all of the volunteers – Rodney Malpass, Lloyd Allison, Sherman Lundy, Hossain Naziri, Michael Parrie, Catherine Kestler, Greg Nigosian, David Folkes.

Our *Text to Walk* program has begun and will continue through the fall. Flyers are currently up on the bulletin boards. The walks are done by arrangement with Steve Weiss who heads the program and leads the walks. Contact him directly to arrange joining these very enjoyable times with your Park Tower neighbors.

Albeit respective of the pandemic, we are still planning to hold a movie night, showing *Encanto*, on Saturday, May 28th. Doors open at 4:30 pm. We will serve the usual popcorn, pre-packaged snacks, pizza and drinks. All food will be served by volunteers masked and gloved to promote everyone's health and safety.

The next meeting of the Commission will be Tuesday, May 24, at 11:00 am via Zoom. Among the events to be discussed will be our Annual 4th of July Celebration and the 50th anniversary of the opening of our building in 1973.

Flyers are on bulletin boards and at ptcondo.com. Please see me after tonight's meeting if you'd like the URL for the Zoom links. The committee is greatly appreciative of the support of the Board and of Management in granting us use of the Association's text messaging service and have already used it for the Easter Egg Hunt with excellent results. Our community's participation is always appreciated.

Respectfully submitted,
Sheldon Atovsky, Acting Chair
