

Home Improvement Meeting Notes
Monday, March 18, 2024

Present: Kent Brave, Erik Butka (chair), Becky Rossof, Betty Terry Lundy, and Michael Parrie (Board liaison)

Agenda

1. Plantings
 - a. We need to pick summer plantings by April
 - b. Plantings behind the pond will proceed once we find out what grows back
2. Stone samples
 - a. Erik shared small samples of quartz and the company is attempting to figure out the slabs for the elevator cabs
 - b. There was discussion of the white stone with gray veins being eventually outdated
 - c. A guest to the meeting offered to bring some samples; Erik said it cannot be thicker than a half-inch (thus meaning that they are engineered and not natura
3. Terrazzo floor
 - a. Waiting on quotes from Otis and Erik will let us know if it falls within budget
 - b. We could do a logo on the floor or do a darker boarder around the perimeter, and then a lighter color in the middle
 - c. Erik said a darker floor will show more dust and debris
 - d. Erik shared an alternative to the terrazzo with slabs of hard stone in case it's too expensive
 - e. A carpet mat can be placed during harsh winter weather
4. Wire mesh
 - a. Erik shared samples of style
 - b. He said the orientation could go either way: vertical or horizontal
 - c. The color will be stainless steel
5. Ceiling
 - a. To be stainless and flat, with LED lights pointing down
6. Signate in elevator
 - a. Becky suggests a sleeve to place signs if we need to post anything, or commit to no signage at all (Becky pointed out that we had signs during COVID-19)
 - b. Betty suggests we find out what the fire code is before committing to the sign area

Next Meeting: Monday, April 15, 2024 at 6 pm in the party room
