

## Report to the Board 20260511 from the Social Commission

The Social Commission will host a movie night this Saturday, May 16<sup>th</sup>, featuring *The Age Adaline*, starring Blake Lively and Harrison Ford with Michiel Huisman and Ellen Burstyn.

After a freak car accident in 1937, Adaline Bowman (Blake Lively) miraculously stops aging and remains perpetually 29 years old for eight decades.

It is a poignant, visually stunning story about the emotional toll of immortality and the courage it takes to truly live.

Doors open at 6:45 pm to fresh popcorn. Apple pie and ice cream will grace us at intermission (no pizza this time) and the movie will be finished by 9:15 pm.

Our next meeting is Thursday, May 21<sup>st</sup>, at 5:30 pm on Zoom.

Upcoming is our Annual Independent Day Picnic to be held Saturday, July 4<sup>th</sup>. Watch toward the end of this month for details.

For more details, especially for the upcoming Independence Day Picnic, see me after tonight's meeting, look at our flyers on the bulletin boards, our enlarged flyers by the front desk, notices in Management's Weekly News & Updates or join our email list by emailing us at [ptcasocial@rcn.com](mailto:ptcasocial@rcn.com).
